Can skills training drive sustainability change at scale?

Carlos Flores

NABERS National Program Manager

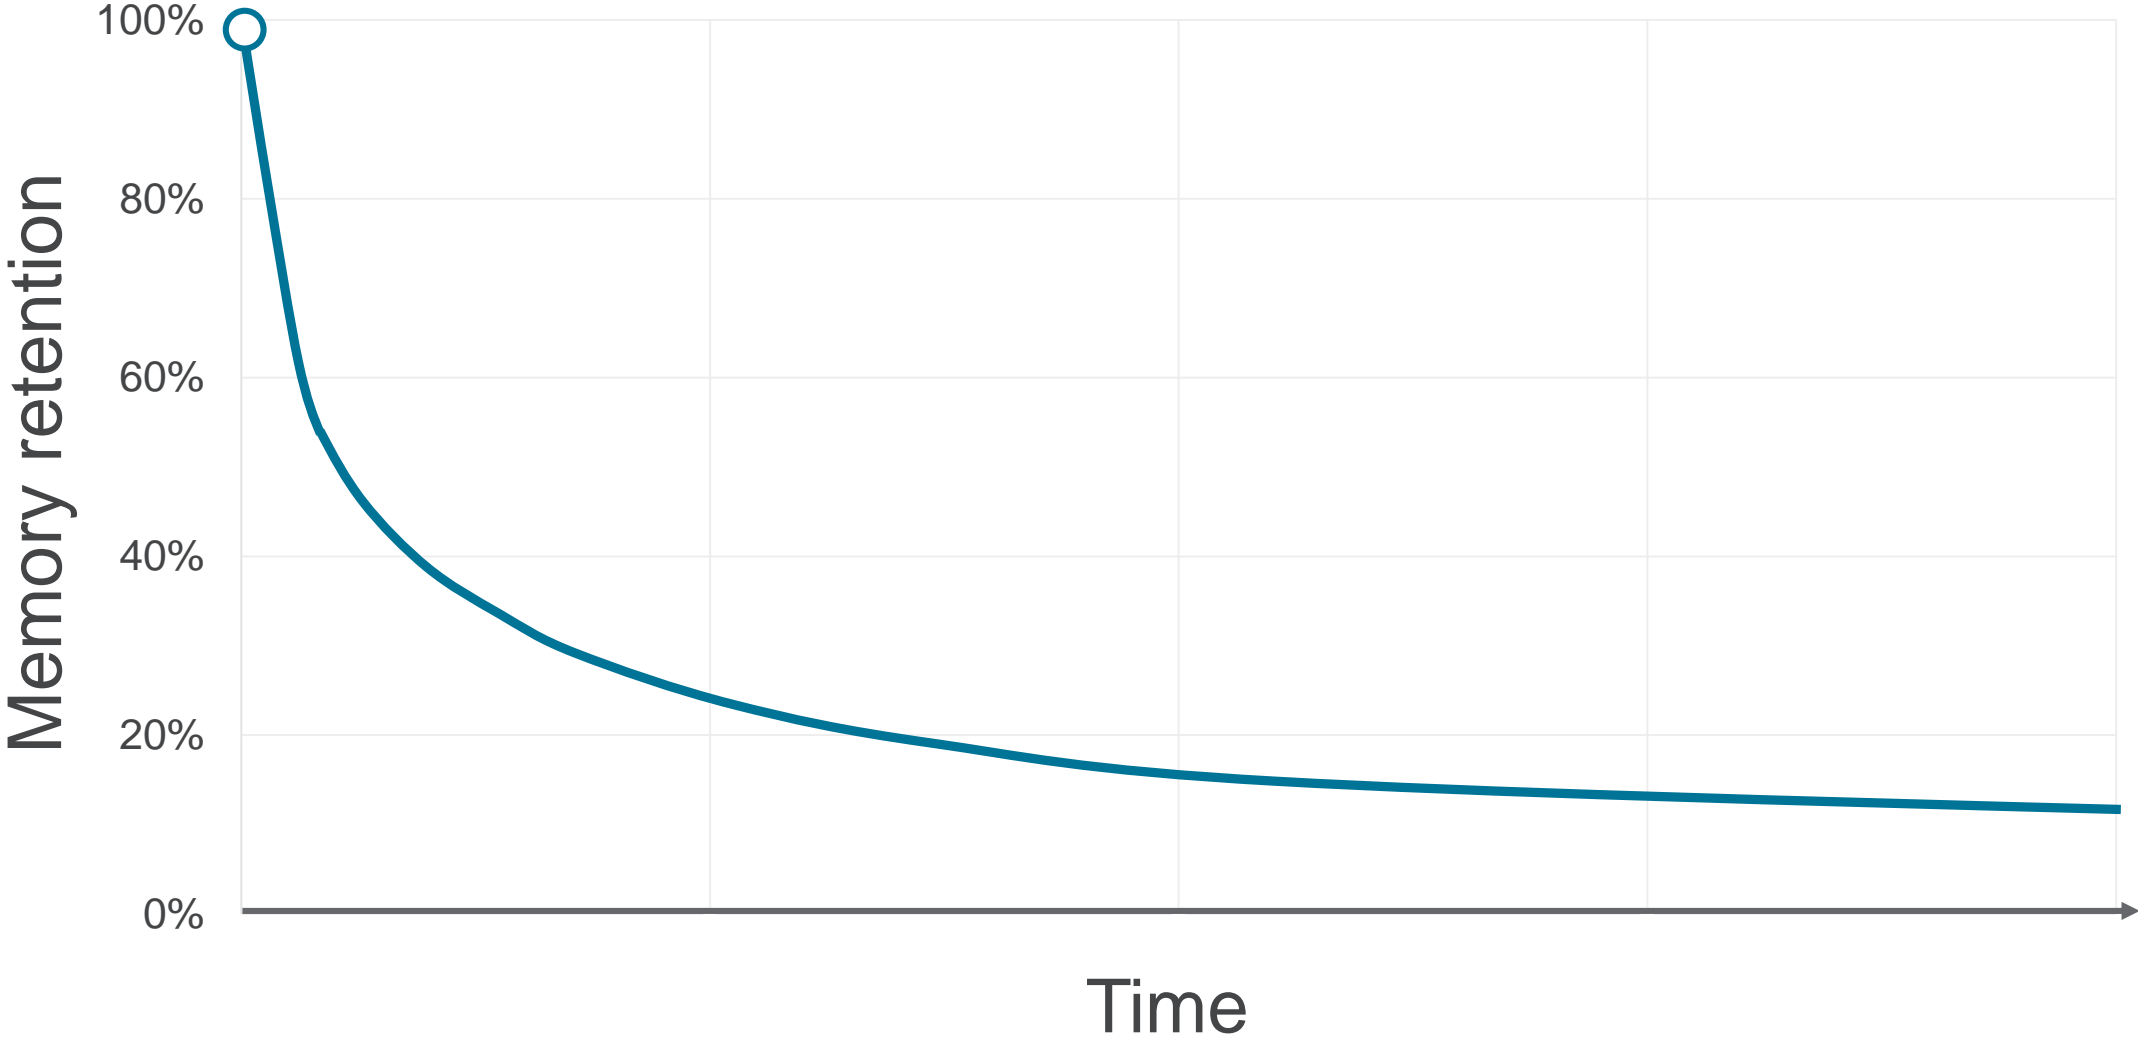

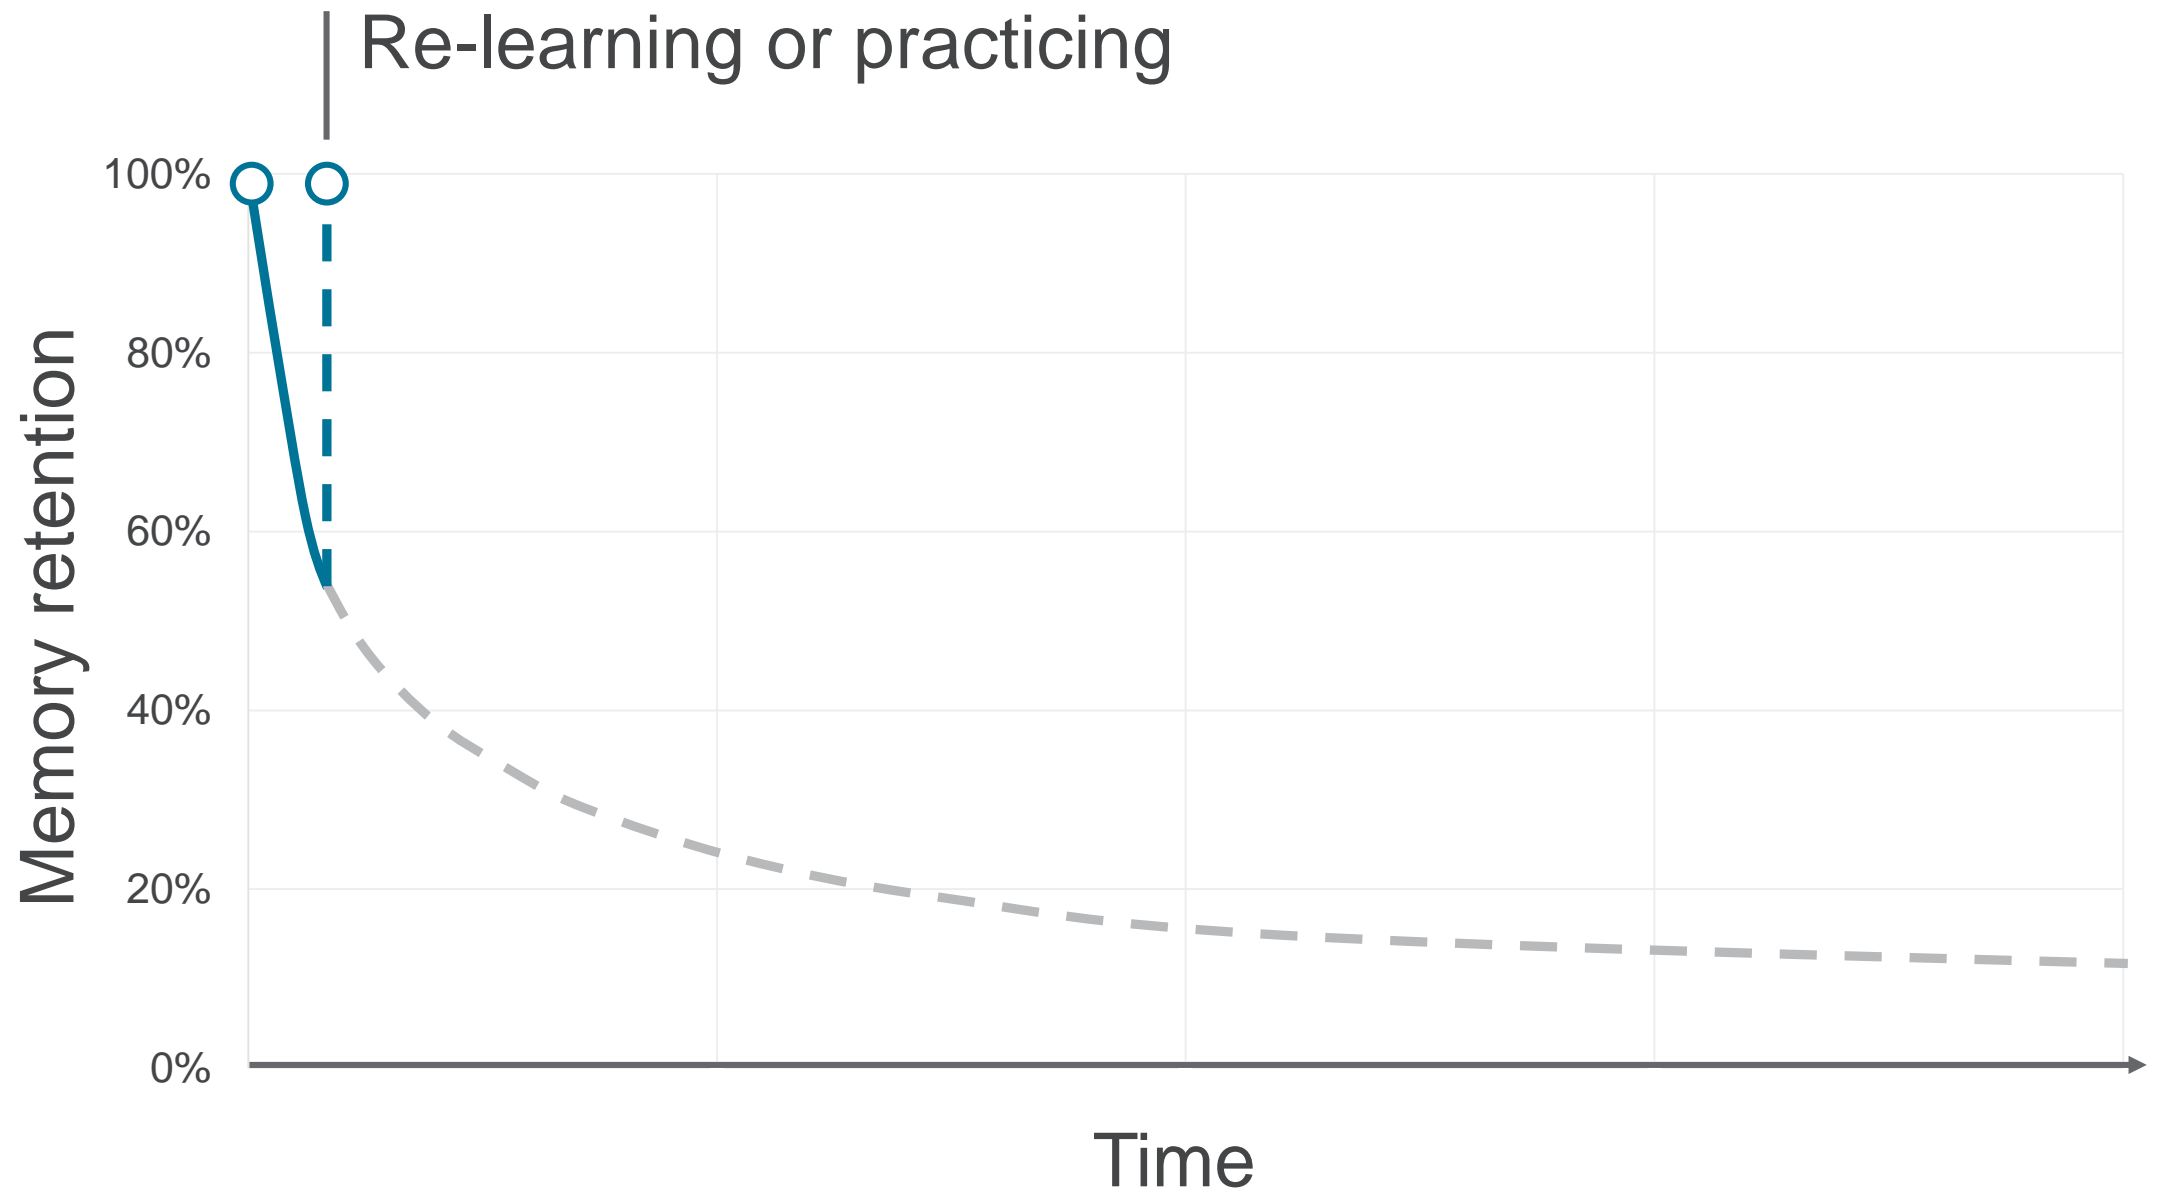

How are skills learned and developed?

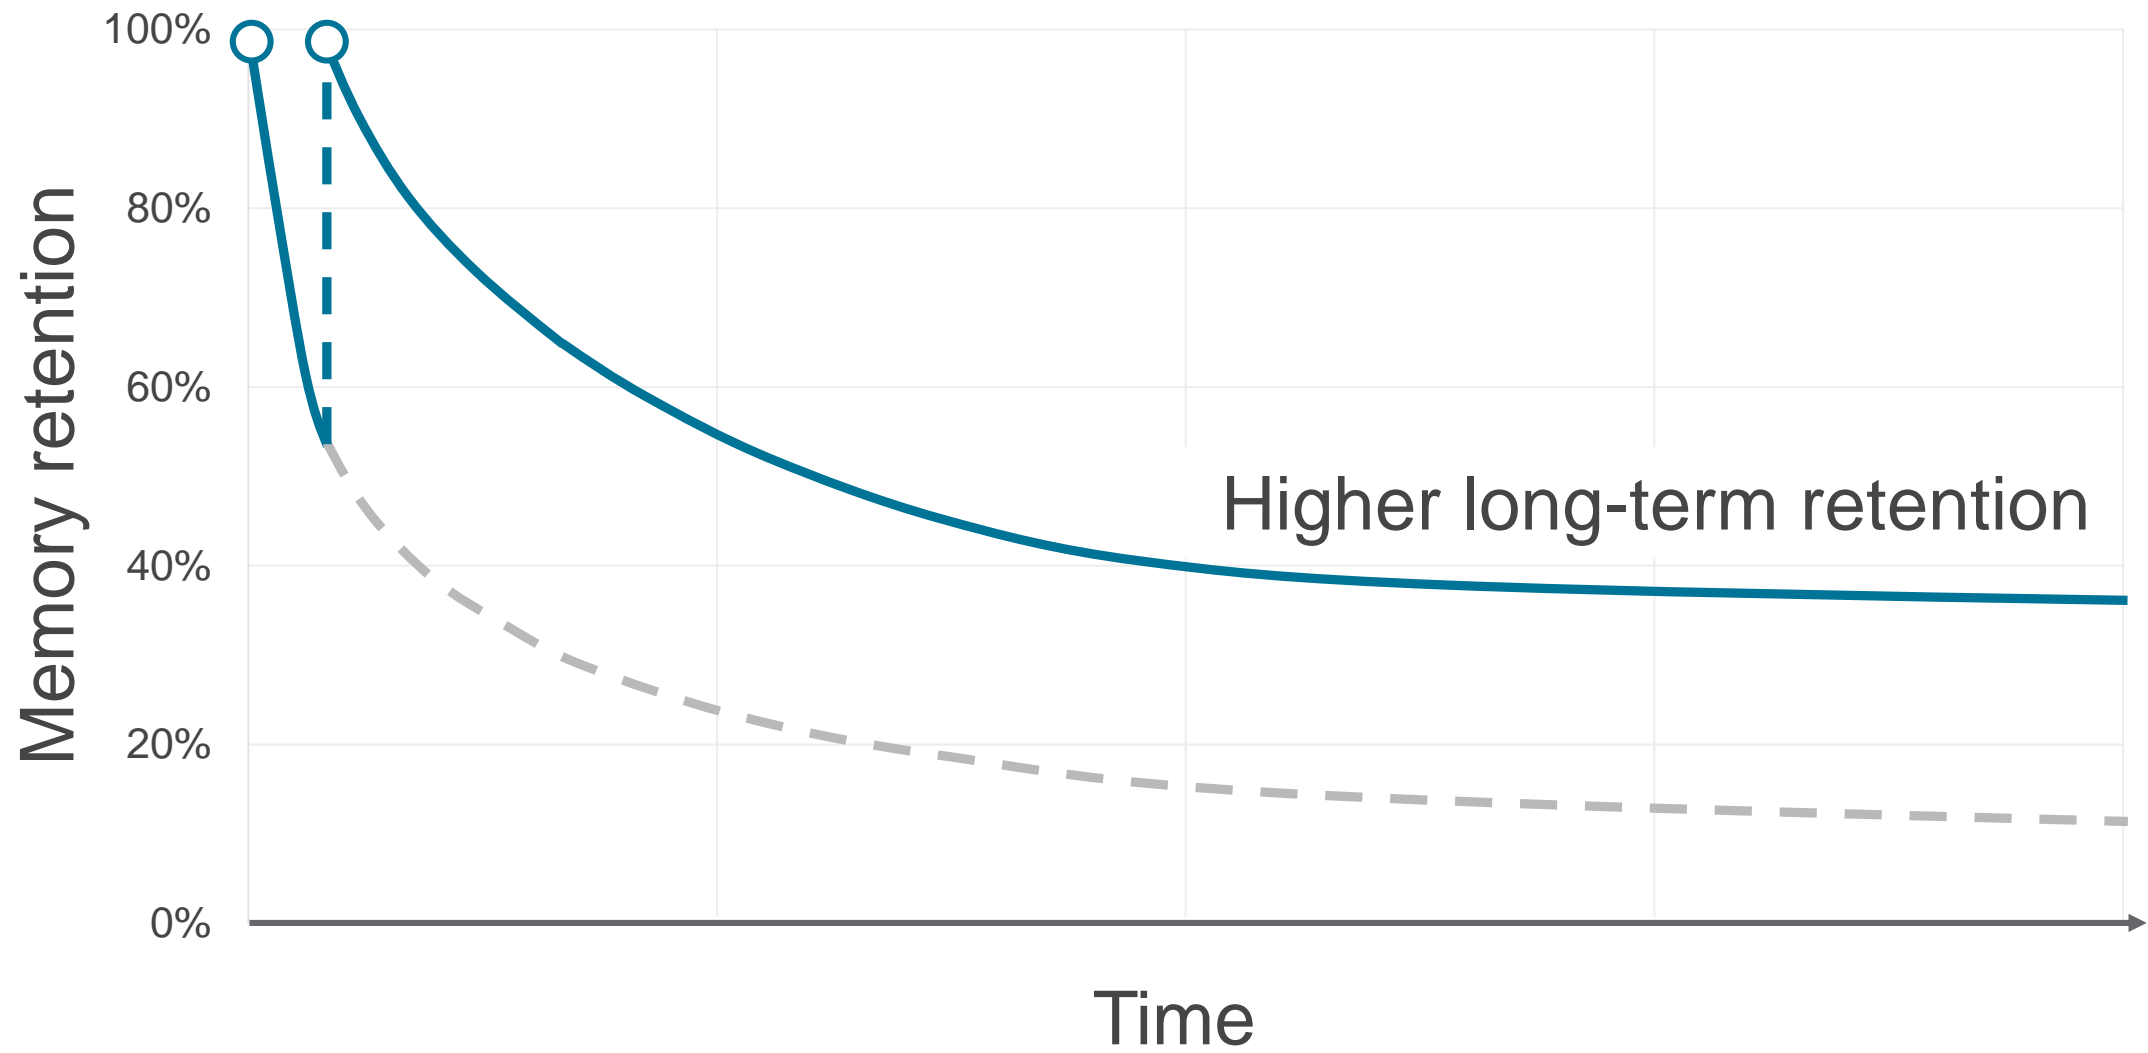

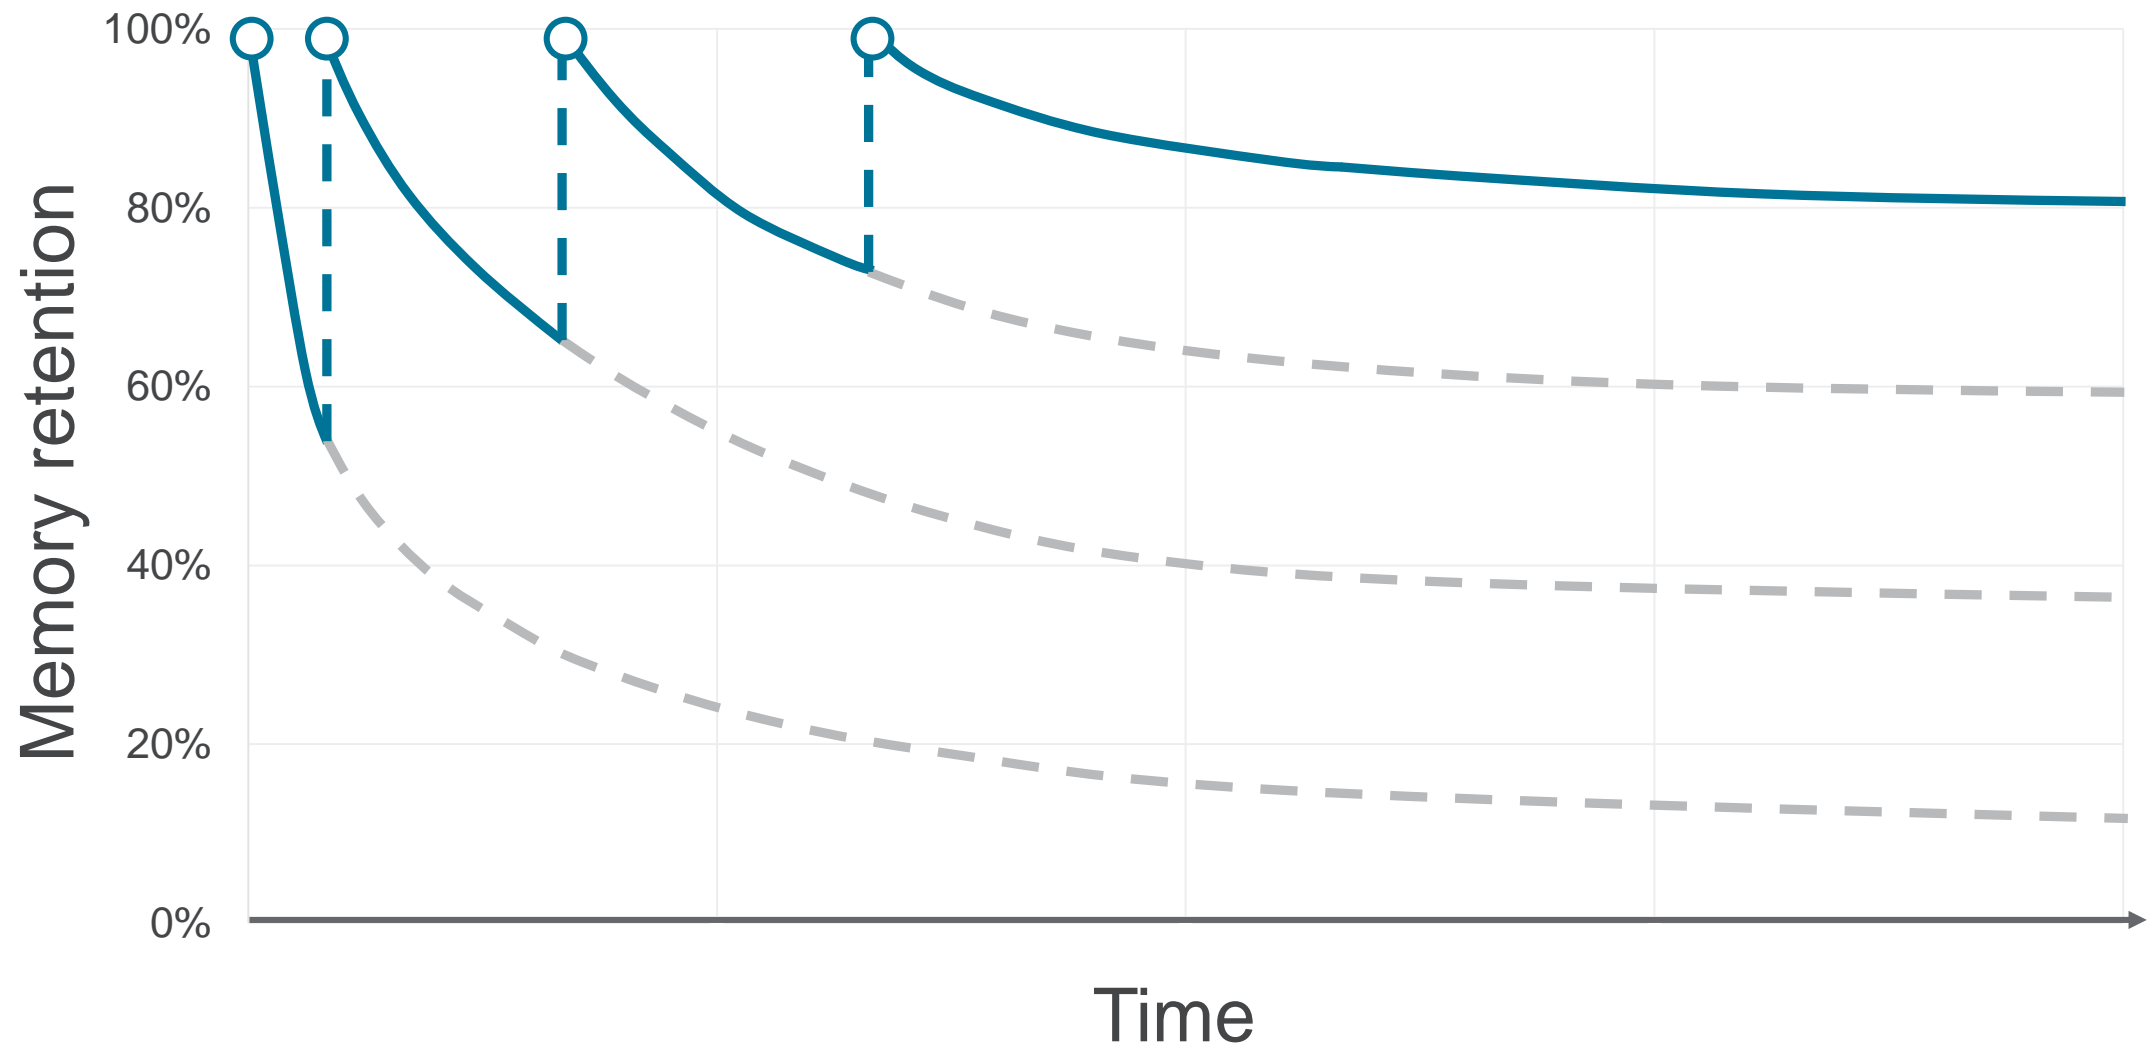

NABERS

Ebbinghaus' 'forgetting' curve

Training without practice does not create skills

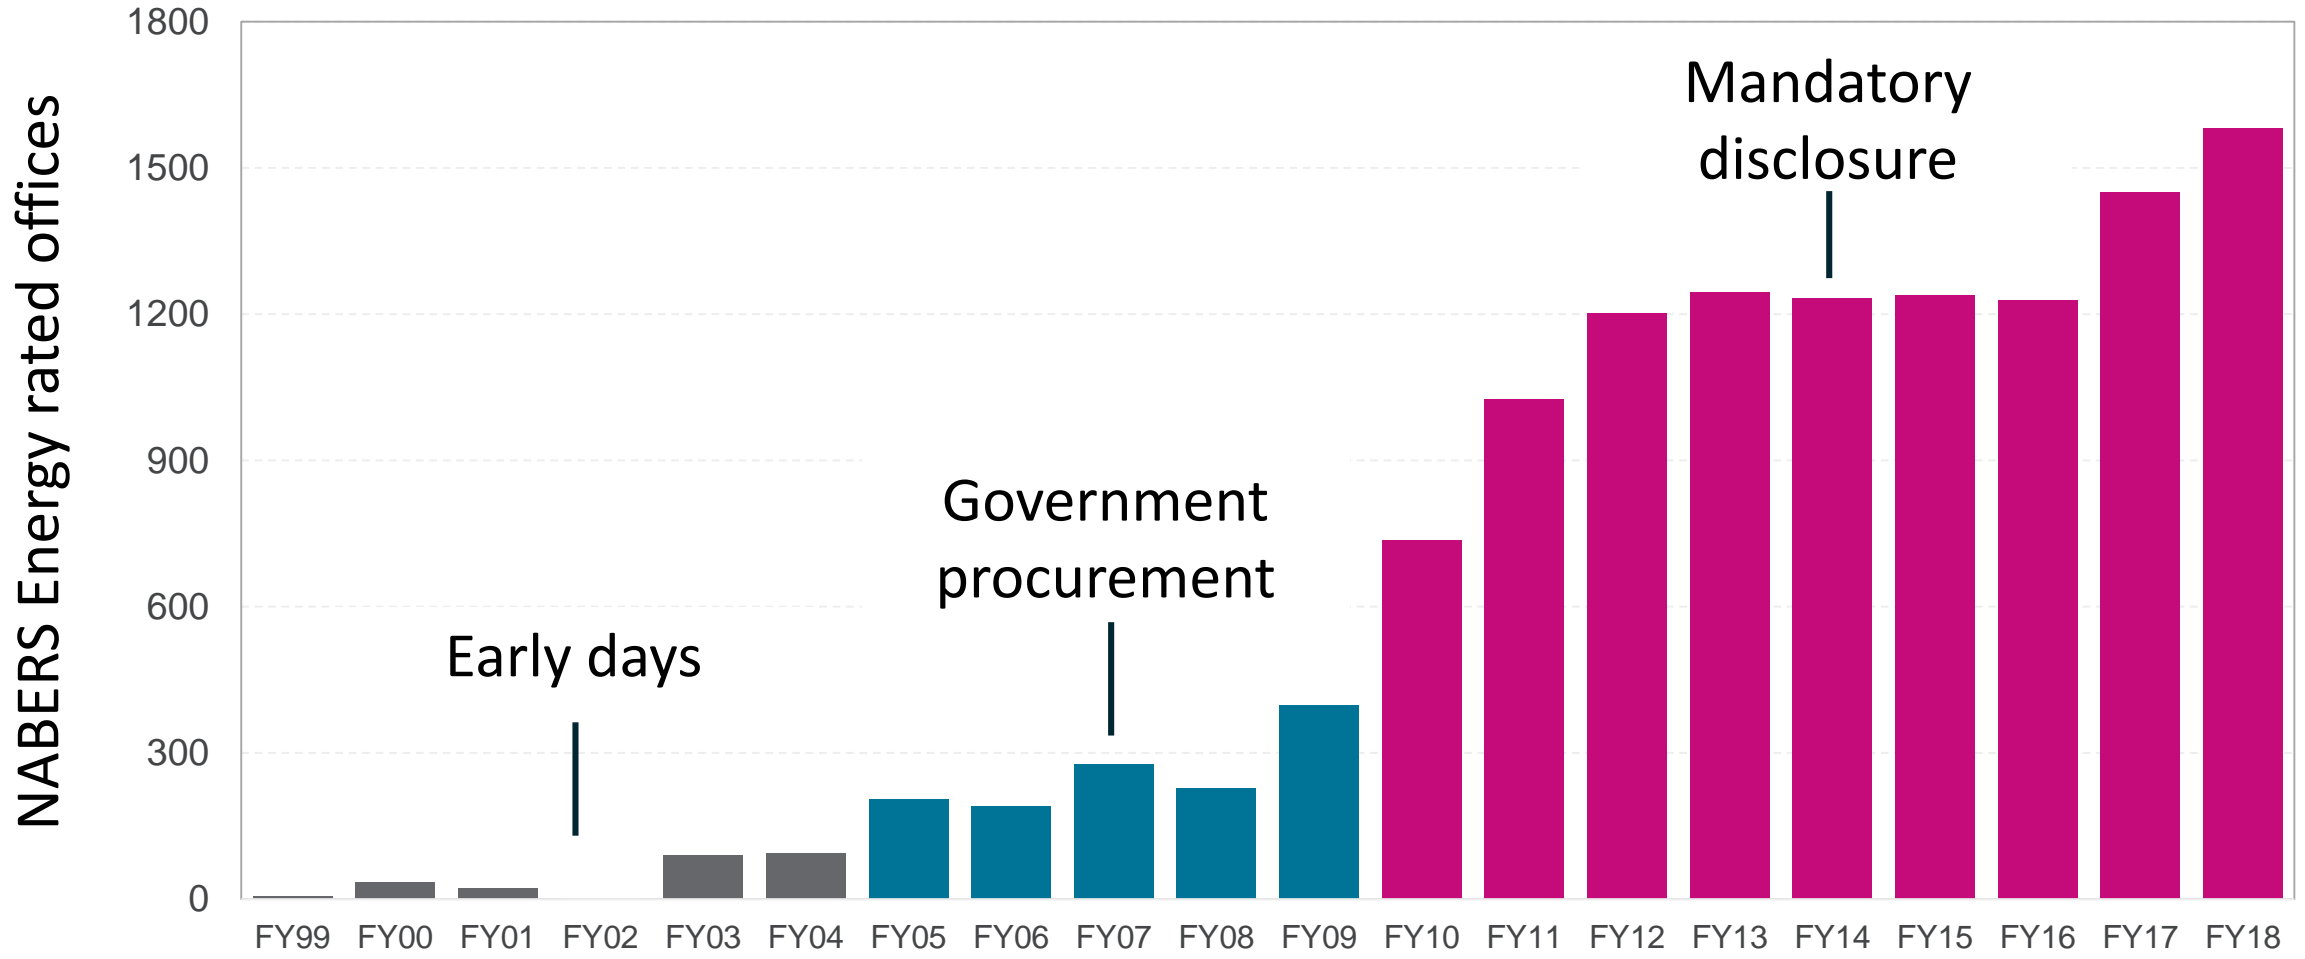

NABERS

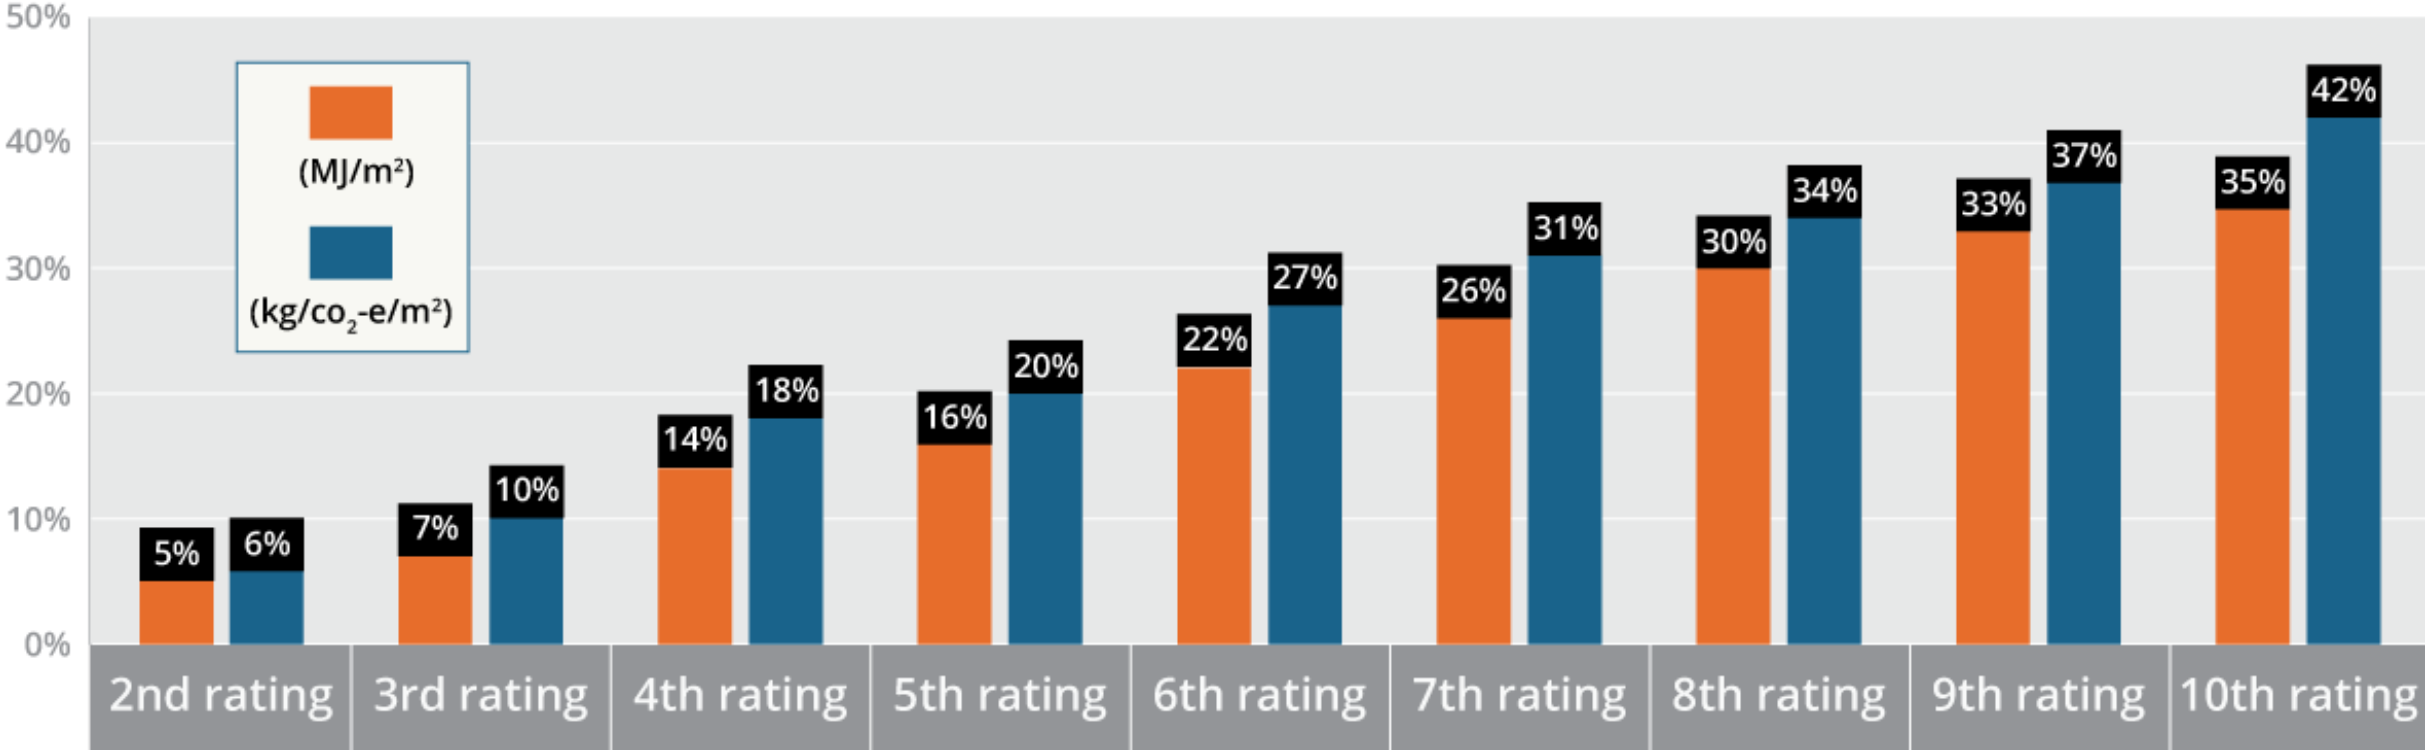

**We need energy efficiency demand
to build energy efficiency skills**

Policy has been key in building energy efficiency demand

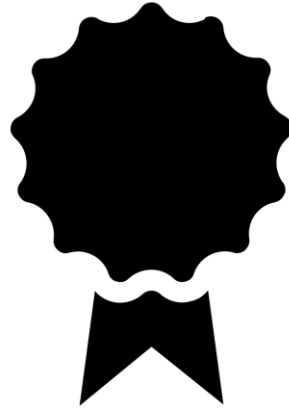

Reduction in energy use in NABERS re-rated buildings

A higher demand for energy services has...

Save nearly \$800M
in power bills

Made Australia a
world leader

Driven training. Lots
and lots of training!

**“I hear and I forget.
I see and I remember.
I do and I understand.”**

- Confucius.

**We need more policies and initiatives
to drive demand for energy management services**
